M.S.S. in Local Government and Urban Development 2023 (Exam 2025)
Jatiya Kabi Kazi Nazrul Islam University — CGPA: 3.71 / 4.00

B.S.S. in Local Government and Urban Development 2022 (Exam 2023)
Jatiya Kabi Kazi Nazrul Islam University — CGPA: 3.57 / 4.00

Higher Secondary Certificate (Science) 2018
Cantonment Public College, Mymensingh — GPA: 4.42 / 5.00

WORK EXPERIENCE

Research Assistant July 2025 – June 2026
Bangladesh Civil Service Administration Academy (FY 2024–25 Funded Project)

- Conducted research across three major expatriate-concentrated regions of Bangladesh on informal foreign remittance systems.
- Managed the full research cycle, from tool development and field supervision to data collection, analysis, and report writing.

Training Associate – 'Ekannor JAAGORON (Rise of 51)' December 2025
JAAGO Foundation Trust

- Developed facilitator guidelines for master trainers to conduct training with first-time voters on democracy, elections, governance, and the state.
- Trained master trainers from 7 divisions of Bangladesh to prepare them to conduct countrywide training.

Junior Officer – Business Development and Knowledge Management August 2025 – September 2025
Development Research Initiative (dRi)

- Prepared proposals, designed research methodologies, and developed research tools.
- Supported preparation of the report for the BRAC Migration (Prottasha II) Impact Assessment Project.

Principal Investigator April 2025 – April 2026
Bangladesh Center for Communication Programs (BCCP)

- Awarded a research grant of \$5,000 to lead a solo research project on smokeless tobacco.
- Drew evidence-based recommendations suggesting policy reforms on tobacco.

Project Lead December 2024 – July 2025
Research and Extension Centre, JKKNIU (FY 2024–25 Funded Project)

- Awarded a research grant of \$500 to conduct research on climate impact and student absenteeism at the school level.
- Recommended measures to address temperature-induced absenteeism.

Research Fellow June 2024 – December 2024
Oxfam Bangladesh (TROSA: Phase 2)

- Awarded a research grant of \$1,500 to lead research on transboundary river governance, environmental sustainability, and community resilience in South Asia.
- Analyzed and interpreted data to provide actionable insights and recommendations for policy and community practices.

MEL Fellow August 2023 – February 2024
Microgovernance Research Initiative (MGR)

- Collected and analyzed activity data of SAVE Youth members on a regular basis.
- Documented data in the required format.

Research Assistant July 2023 – June 2025
National Institute of Local Government (NILG), FY 2023–24 & 2024–25 Funded Project

- Conducted research on the readiness of Local Government Institutions (LGIs) for smart transformation in 8 municipalities across 4 administrative divisions of Bangladesh.
- Studied climate-vulnerable riparian communities and hard-to-reach areas of the Chittagong Hill Tracts.

Data Analyst

October 2021 – March 2022

Microgovernance Research Initiative (MGR)

- Collected, organized, and interpreted violence-related data from various sources.
- Collaborated with teams to define data requirements and analysis goals.

Intern

September 2021 – December 2021

SAVE Youth Bangladesh (facilitated by IFES under USAID's Nagorik Project)

- Initiated a solo intervention project, 'SAVE Teens for Truth', focused on mitigating teenage gang culture.
- Coordinated civic engagement activities with vulnerable youth.

TRAINING

SAVE Core TOT (Peace, Tolerance, Diversity & Civic Engagement)

March 2024

SAVE Youth and IFES (International Foundation for Electoral Systems), under USAID's Nagorik Project

'Moner Bondhu' Mental Health TOT

November 2023

Women Peace Café and Moner Bondhu, supported by the ICT Division and UNDP

Climate Change and Elections TOT

February 2023

SAVE Youth and IFES (International Foundation for Electoral Systems), under USAID's Nagorik Project

CONFERENCE

Panelist

30 January – 02 February 2025

International Youth Conference (IYC) 2025, Nepal

Volunteer

18 – 19 February 2024

3rd International Conference on Humanities and Social Sciences, JKKNUI, Bangladesh

PUBLICATIONS

Book Chapter — Springer Nature: "Patterns of Post-River Erosion Land Reclamation: A Study on the Riparian Communities in Bangladesh." DOI: https://doi.org/10.1007/978-3-032-04750-2_6

Article — Tamalanrea: Journal of Government and Development: "Climate Challenges: Assessing the Effects of Adverse Temperature Conditions on Student Absenteeism." DOI: <https://doi.org/10.69816/jgd.v2i2.46039>
